

MEMO

TO: All Pastors and Administrators
FROM: Erin Friedlander
RE: Bishop’s Video Message on Pastoral Letter
Date: March 7, 2017

Now available is a short video message from Bishop Checchio to the clergy, religious and lay faithful of the Diocese of Metuchen, inviting all to read his pastoral letter, “*Lighting a fire in the heart of our world.*” You can view it on our Vimeo page, here: <https://vimeo.com/207350918>.

Would you please be kind enough to share this message via your parish websites, social media platforms and internal networks?

In addition to the printed version, which was distributed last week, the pastoral letter and video message are available on our [Facebook](#) and [Twitter](#) platforms and our diocesan website, here: <http://diometuchen.org/bishop/pastoral-letter>.

This web page can be accessed via our diocesan home page, via the **scrolling image section** and under the static ‘**BISHOP**’ box. (See graphics on this page.)

There is a bulletin announcement with the link to the letter on the Extranet, in the bulletin editors’ folder, which is another way for you to share the bishop’s timely message with parishioners.

Thank you for your assistance in helping to get the word out. Please let me know if you have questions. My contact information is listed above.

BISHOP

Bishop James F. Checchio
